

WealthTechs To Sponsor AUG-The Exchange's New York City Member Meeting At The Princeton Club of New York

San Diego County based FinTech firm provides advisors with advanced custodian data technology to reconcile Advent and other portfolio accounting systems faster and save 50% on data costs.

2016 AUG New York City Member Meeting. The Princeton Club of New York. October 28, 2016, New York, New York – WealthTechs, a leading custodian data technology provider for advisors using the Advent & and other portfolio accounting systems will sponsor the 2016 AUG New York City Member Meeting to be held at The Princeton Club of New York on October 28, 2016.

“New York based advisors are the most respected, fast-paced and innovative in the world. WealthTechs is very proud to have the opportunity to sponsor the 2016 AUG New York Member Meeting,” said Chris Casey, CEO of WealthTechs. “Me and other members of the WealthTechs team call New York our home. We know how New Yorkers think; we’ve spent the time in the trenches downloading and reconciling in New York; we know the pressure. We can’t wait to get together face to face with AUG members and talk about our custodian data solution that helps Advent & portfolio accounting system users download and reconcile systems faster.”

WealthTechs provides Advisors with advanced technology to aggregate, standardize and integrate financial account data from the world’s leading custodian banks with the Advent Axys, APX, Geneva and other leading portfolio accounting systems.

“We thank WealthTechs for sponsoring our 2016 New York City AUG-The Exchange Member Meeting.” said Jennifer Litchfield, Executive Director For AUG-The Exchange, in Columbia, SC.
